INSIGHT HOSPITALITY

SITE RESEARCH

Working with renowned young chef Abby Lee we were tasked with finding a counter for her south east Asian street food concept Mambow. Following many viewings we found the perfect location in Peckham for her new home. Our brief was to design the kitchen and bar, and assist on operational delivery.

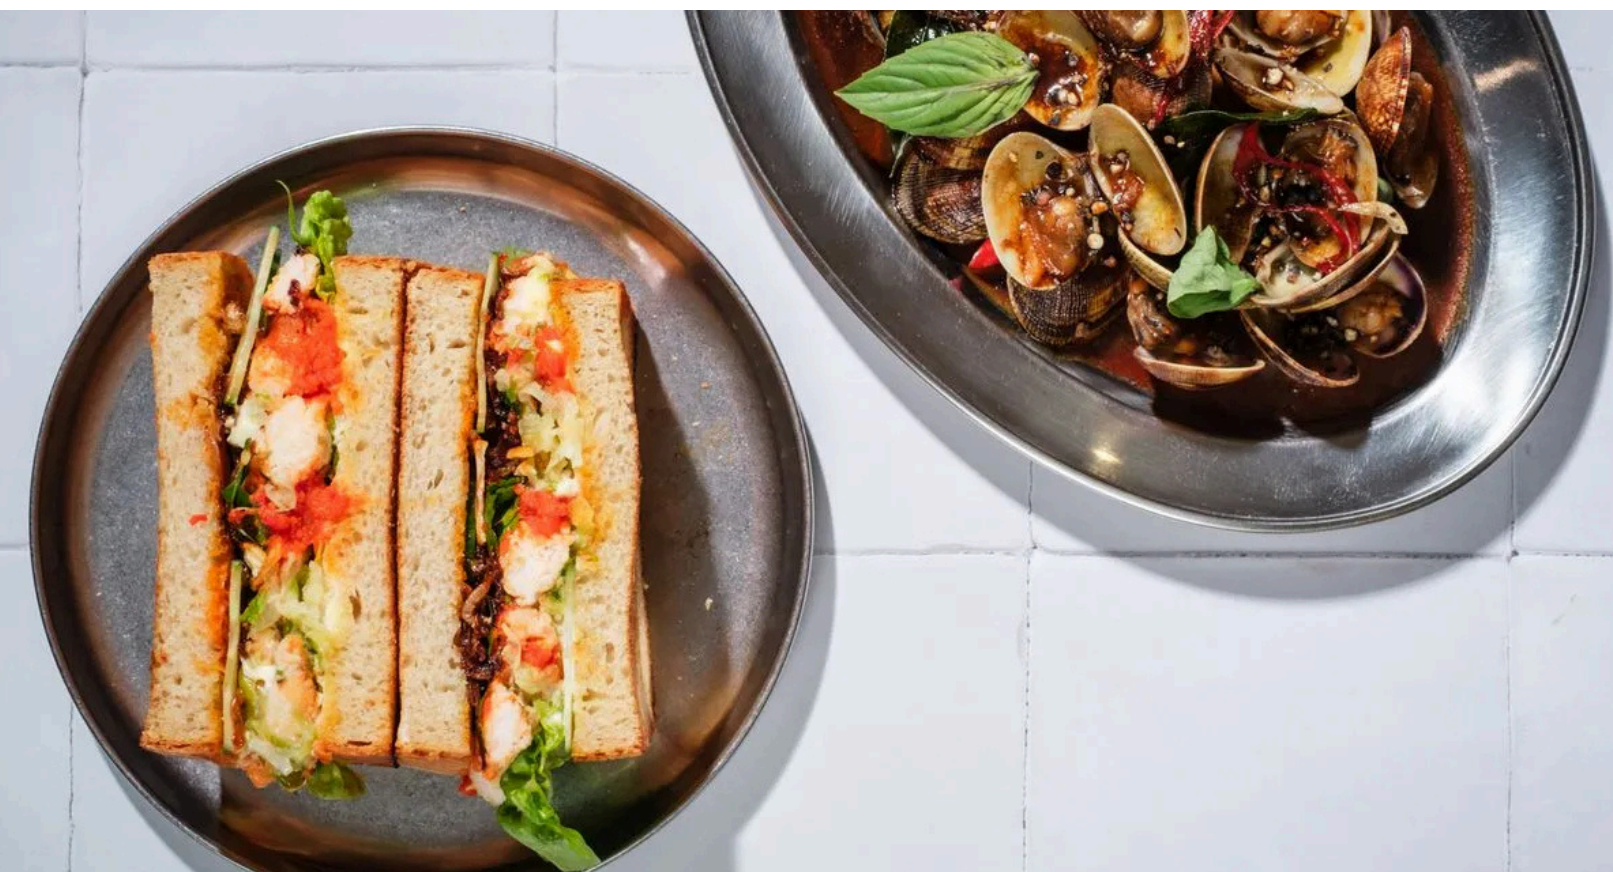

Mambow has been highly reviewed in a multitude of different publications, including [Time Out](#), [Square Meal](#), [The Times](#) – to name but a few.

PRODUCT DEVELOPMENT

Abby keeps her menu fresh and changing all the time with the best produce available in season. We curated a small natural wine list to complement her food, suggesting pairings with every dishes. We also selected the crockery that adapted to her new brick and mortar venue.

OPERATING SYSTEMS

We implemented booking platforms, table management and cost control system to allow Abby to focus on her food development.
