MENU
DEVELOPMENT

Insight Hospitality worked with the owner Johnny Messum; We were challenged with developing a new restaurant at Messums Art gallery in Wiltshire.

We appointed Chris Warwick as head chef who is ex Marco Pierre White. Insight Hospitality assisted the delivery of Chris’s refined seasonal British offer by using only local suppliers and farmers.

THE BARN

In the following year, we assisted Messums to develop a cafe concept in the adjacent barn, sourcing high quality finish products and creating a lighter offering, complementing the fine dining restaurant offer.

COST
CONTROL

Working with the head chef, we implemented a cost control process, a procurement and costing platform, resulting in accurate weekly reporting to the owner.
